### **Networker Speaker Anna Hart Senior Associate.**

**Anna Hart** is a Senior Associate in the Healthcare Regulatory Team at international law firm DAC Beachcroft. **Anna** specialises in advising clients on a broad range of criminal regulatory legal issues.

**Anna** has experience of advising clients on contentious and non-contentious regulatory matters including health and safety, corporate manslaughter and care regulation compliance. She has advised clients in both the public and private sector in relation to crisis management and regulatory investigations conducted by the Police, Care Quality Commission, Health and Safety Executive and Local Authorities and she is accustomed to dealing directly with regulators on behalf of clients. **Anna** frequently advises clients on managing relationships with regulators, the effect of enforcement notices and providing representation at interviews under caution. **Anna** has experience conducting cases in the Magistrates', Crown & Coroner's Courts

**Anna** also has experience of providing compliance advice and transactional support including drafting organisational policies and procedures and advising on compliance with new and existing regulation. She also frequently provides training to clients on a range of legal and operational subjects

**National Association for Safety and Health  
in Care Services**
