COMPETITION * DIARY DATES*

PROGRESS UPDATE

Since the last newsletter members attended the excellent Seminar held at The Centre for Deafblindness in Peterborough where we were made very welcome for the second time. The National Executive extend their Thanks to Mike Jones and his team (see below) for all their hard work in organising such an excellent day,

Thanks also to the staff at the Centre for Blindness for their help and cooperation once again we were looked after very well.

Into the second year your acting National Executive (NE) started the cycle by meeting in Leicestershire in January 2006. The main activity has been commissioning a survey of members on the format of the annual conference, AGM and preparation for formal elections. Summary minutes of meetings will be available soon on the Members page.

All the National Executive details may be found on the **Contact Us** page.

March 2006

MEMBERS ACTIVITIES.....

Chris Jackson has arrived safely back from his time in Ghana where he was working as a volunteer in a local orphanage. He has asked that his thanks are sent to members for their kind donations at our last seminar; full report and pictures in our next News Letter. (Chris take note) Ed.

Caution.....

Katie Chemical !!!!!!!!!!!!!!! Anyone you know? Have you met her?

She can be irritating, poisonous, harmful and has a very explosive temper – causes harm to the environment and can be quite corrosive when approached. Look out she may be hiding where she should not be!!!!!!!!!!!!!!!!!!!!!!

Welcome to 3 new members of the National Executive Committee...

Andy Hollingshead:

Andy has worked for Leicestershire County Council for the past 26yrs and is a Chartered Member of IOSH. He has recently gained a Post Graduate Diploma in Occupational Safety and Health.
